Hope Church Open for Operation Christmas Child

NEWBURYPORT Hope Community Church will open to collect Operation Christmas Child shoebox gifts for the Samaritan's Purse project. Volunteers are preparing to collect shoebox gifts during National Collection Week, Nov. 13 – 20.

Operation Christmas Child has been collecting and delivering shoebox gifts—filled with school supplies, personal care items and fun toys-to children worldwide since 1993. In 2023, Operation Christmas Child hopes to collect enough shoeboxes to reach another 11 million children.

Anyone can pack a shoebox! Individuals, families, and groups still have time to transform empty shoeboxes into fun gifts. The project partners with local churches across the globe to deliver these tangible expressions of God's love to children in need. Find a step-by-step guide on the How to Pack a Shoebox webpage (www.samaritanspurse.org/ operation-christmas-child/pack-ashoe-box).

"Children around the world need to know that God loves them and there is hope," said Franklin Graham, president of Samaritan's Purse. "A simple shoebox gift opens the door to share about the true hope that can only be found in Jesus Christ."

Participants can drop off their boxes at Hope Community Church at the designated times or they can find another drop off center and hours by visiting www.samaritanspurse.org/ operation-christmas-child/drop-offlocations. The online lookup tool is searchable by City or ZIP code. Signs at each Continued on page 3 | 10am-2pm.

"Joyful

Watercolors"

"The Colors of Kleimola Quarry, Gloucester" by Katie Cornog

NEWBURY - Watercolor Interest Group of the Newburyport Art in conjunction with the Newbury Public Library, Byfield will be hosting "Joyful Watercolors" an exhibition of watercolors at the Newbury Public Library Nov. 21 through to Jan. 7, 2024.

Twenty-one members of the group will exhibit work that will be on view to the public from Nov. 21 to Jan.7, 2024. Meet the artists at the Artists' Reception on Wednesday, Nov. 29 from 4-7:00 pm. MaryAnn McCarthy McCardle, exhibiting watercolorist, will also be completing a watercolor demonstration onsite at this reception opening. A second reception will be held on Saturday, Dec. 2, from 12-2pm. At this time, the artists will be offering activities for all ages. There will be prints, cards, calendars, ornaments, etc available at both receptions.

Come for good conversation, to learn about the medium, light refreshments and to support these local watercolor artists members. Free and Handicap Accessible. This exhibit is possible in part due to a Massachusetts Cultural Council Grant.

Newbury Public Library, 0 Lunt Street, Byfield, MA 01922.

Horses Are Great

Therapists

A youth learns to feed a donkey. Photo by Jen Wright REGIONAL - Fair Winds Farm in West Newbury has partnered with the Amesbury-based Center for Children and Teen Center (CATCH) to provide equine-based therapy programs for young people.

"It seemed like a natural partnership." said Carolyn Gayler-Romero, CATCH director.

Christine Turner, the executive director Link House, said of the equine therapy, "It is different than being in an office."

A generous grant from Essex County Outreach funded a pilot equine-based program last summer for young people with Jen Wright, the energetic owner of the 8-acre Fair Winds Farm. The program, which does not require any prior experience with horses, teaches participants communication skills, problem solving, critical thinking, decision-making, self-regulation, confidence and creativity.

In addition to building trust with their horses, participants explore respectful, mindful boundaries with one another.

The benefits of equine-assisted services have been recognized for a long time," Gayler-Romero said. "Horses provide a no-judgment zone that holds space for the entire spectrum of feelings and promotes emotional growth. It was exciting to see the growing confidence of the young people who participated in the program, and we also were very happy to see the social connections made by their caregivers, who accompanied them to the weekly sessions.'

The program ran two afternoons a week for six weeks, serving two groups of four youths each, ages 9 to 12 and 13 to 17 in the joint program. It was designed **Continued on page 3**

Photo by Stewart Lytle From left, Geordie Vining, Ghlee Woodworth and Ed Balsky survey the newly discovered graves.

NEWBURYPORT - The city is raising money to recognize 18 grave sites in the Old Burying Ground that were recently found by ground-penetrating radar.

The city and the Newburyport Black History Initiative believe the unmarked graves near Auburn Street were those of 18th and 19th century black residents, some of whom may have lived in a nearby neighborhood called Guinea Village.

The plan is to mark these 18 graves with 6-inch by 6-inch by 6-inch granite stones encrypted with the words Once Known. The project will cost approximately \$3,200 in private donations.

Local historian Ghlee Woodworth, who with city senior planner Geordie Vining led the search for the unmarked graves, said some have already made tax deductible donations for the project.

"Thank you very much for your continued interest in our Early Black Community Members' history and their contributions to our community," Woodworth wrote.

Checks can be made to the City of Newburyport, Newburyport City Hall, c/o Geordie Vining, senior project manager, 60 Pleasant Street, Newburyport, MA 01950.

Letters To The Editor

How to Submit Letters to the Editor

Marc Maravalli, B.S., R.Ph. Publisher/Editor, The Town Common Letters to the Editor provide a useful way of communicating concerns, issues, or suggestions to all members of the community.

The Town Common encourages all citizens to submit letters concerning issues of interest and concern to the local community.

Letters selected for publication may be edited for length and clarity. Some letters may serve as a catalyst for other articles or coverage, and community leaders and agencies will be offered an opportunity to respond to letters concerning their areas of responsibility.

All letters must be signed and include a daytime telephone number.

Letters may be submitted to:

The Editor c/o The Town Common 77 Wethersfield St. Rowley, MA 01969 or preferably via e-mail to: editor@thetowncommon.com.

The Town Common deadline is 5pm Wednesday (except when a federal holiday necessitates an earlier deadline).

The Town Common serves the communities of the Upper North Shore of Mass. & Coastal New Hampshire and welcomes your participation. Send your Organization or Group Notices, Birth or Engagement Announcements, Photos, Articles and Letters to the Editor, by mail, phone, fax, or e-mail to: Wethersfield St., Rowley, MA 01969 Phone: 978-432-9669

E-mail:	news@thetowncommon.com

Georgetown COA Director to Retire

Dear Editor.

I just wanted to let you know that I will retire from my position as Director for the Georgetown Council on Aging on November 25. My last day in the office will be November 23.

I have been the Georgetown COA Director for the past 17 years. During that time, we have seen significant growth in our older adult population.

When I began my work, Georgetown's older adult population was 16 percent of the town's population. Older adults now represent 30 percent of the Town's population.

Initially, the Georgetown COA offices were located at Town Hall. To provide programs and activities, we rented space at the First Congregational Church, used conference rooms at Town Hall and the Community Room at Trestle Way (housing for older adults and others). When the Penn Brook School was built as a Kindergarten - Grade 6 school, we were able to propose repurposing a wing of the Perley School as the Georgetown Senior Community Center. The building project was completed in February 2017 and we moved in during a blizzard!

It has been a wonderful 17 years. Truly an honor and a privilege to be part of this community for so long. The incoming COA Director will be Kristin Crockett, who is currently the Essex COA Director. She will begin her work on November 20. I wanted us to have a few days of overlap.

The COA Board, staff and volunteers planned a wonderful gathering for me that was held on Tuesday at the Senior Center. Above is a photo of Senator Tarr and Rep. Kassner presenting me with legislative citations. Left to right, Rep. Kassner's legislative aide Christina Eckert, Rep. Kristina Kassner, ČOA Director Colleen Ranshaw-Fiorello, Senator Bruce Tarr and Senator Tarr's legislative aide Mary Ann Nay.

I want to thank you for your support and help in publicizing our programs, activities and services. The Town Common has helped us connect older adults to our programs.

Thank you, Colleen Ranshaw-Fiorello, Director Georgetown Council on Aging

Seeking Model Railroad and Wooden Railway Donations!

Dear Editor, Friends and Supporters,

Thank you to all those who donated trains to the Wenham Museum over this past year. We had fantastic response to our earlier e-mails seeking donations, which has been a tremendous benefit to the Train Room.

If you are cleaning out your garage or attic this fall and have trains, please think of the Wenham Museum. We are always seeking model trains, toy trains, or wooden railway pieces like Brio, Thomas, and others. These items are used day-to-day in museum operations or are resold to benefit the Train Room and new exhibitions and programs.

We are especially interested in model trains, tracks & accessories from all gauges and manufacturers-even if you're not sure they are in good working order. We are also interested in Brio/wooden railway track, buildings, accessories, and trains. Buildings, accessories, and wooden trains from "Thomas and His Friends" are also in high demand, as many characters are retired and new Thomas trains retail for over \$25 each.

Railroad memorabilia from "real" trains is also of interest to us. This could include advertisements, tickets, time tables, lanterns, signage, and other similar items.

If you have these items lingering in your home, consider donating them to the Wenham Museum where they can have a second life bringing joy and happiness to many children and visitors throughout the year.

Please bring your donations to the museum during regular business hours (Tuesday - Saturday, 10 a.m. - 4 p.m. and Sundays from 12 - 4 p.m.). We kindly ask that you do not leave them outside our facility before or after hours.

With thanks, Rob Flanagan, Train Curator rob.flanagan@wenhammuseum.org (978) 468-2377, ext. 111

to foster an understanding of the relationship between humans, animals and environmental health.

Working alongside animals can effectively relieve symptoms of anxiety and depression, according to the program managers. When engaging with children diagnosed with ADHD, it becomes necessary to adopt a more moderate pace to interact with the 1,000-pound horses and 200-pound donkeys.

Participants learned to groom horses, which aids in the development of empathy for animals and humans.

In the program, the participants are also taught to put a halter on the horses and lead them through obstacle courses, which the youth created themselves.

CATCH, located in the Boston North Technology Park, is a program offered by Link House. In addition to Amesbury, it serves Newburyport, Salisbury, Rowley, Newbury, West Newbury, Groveland, Georgetown and Merrimac. CATCH specializes in addressing various mental health concerns such as anxiety, depression, gender dysphoria, trauma, substance use disorder and co-occurring mental health disorders. The program offers both one-on-one sessions and therapy sessions, which are conducted either within the school or at the CATCH offices.

Wright, who feels fortunate to have had horses in her life since she was a young child, has more than 15 years of experience working with and developing therapeutic programs. Fair Winds farm also offers private lessons for adults and children.

Fair Winds Farm is at 14 Kimball Rd. in West Newbury. Please contact Jen Wright at 978-463-7446 or at fwfprograms. gmail.com.

For more information on CATCH, visit catchkidsnow.org.

based GeoSource found the bodies, buried in shallow graves that had no markers. A group of historians, museum leaders and city employees watched as his ground-penetrating radar found one gravesite after another.

"It's safe to say these are black peoples' graves," Woodworth said. "I think we can go out on a limb. Most likely these are unmarked black graves."

Six graves in the area are marked with headstones. Most of those have been identified to be black residents from their inscriptions and from old records.

Vining, who has been doing and overseeing extensive research on the city's black residents, said Newburyport was not large enough to have a separate black cemetery like larger cities. And some graves of black residents have been found in other cemeteries.

"This appears to be the black section," Vining said. "Headstones cost a lot of money. They get buried. They didn't get a marker. They get forgotten.'

With the new markers city officials and the Newburyport Black History Initiative hope these black residents will not be forgotten.

Brighter Smiles... **REPLACEMENT PARTS**

By I. Peter St. Clair, DMD

It seems I have more and more patients telling me about their upcoming shoulder, hip, and knee replacement surgery. There are other parts that people have replaced, but those are the top three. Most of these people decide to go under the knife to improve their quality of life.

If you were born in the Paleolithic era, you could expect to live to 33 years old. The average global life expectancy in 2010 was more than double this number at 67 years. The main reasons for this are advances in hygiene, food production, and medical care.

On the bright side, if you were born in the Paleolithic era, you would most likely never need a hip replacement. It usually takes longer than 33 years to wear out the joint.

Today, about 2.3% of Americans have had a hip replaced and 4.6% have had a knee replaced. More than a million joint replacements will be done this year and the number continues to grow. The longer we live, the more chance we have of parts needing replacement.

What about teeth? Your lower first permanent molars erupted into your mouth around the age of 6 years old. If you are 50 years old, these teeth have been tolerating chewing, hot coffee, cold ice cream, the occasional popcorn kernel, and maybe even grinding back and forth for 44 years. You have used them every

day for 44 years! What else can you use that much for 44 years that doesn't require some kind of maintenance? How about that car you drive every day? The car certainly requires maintenance to function properly. The oil needs to be changed on a regular basis. Depending on several factors, the tires need to be rotated to wear evenly and usually need to be replaced after so many miles. I don't know too many people who drive the same car for 44 years.

Of course, I am not insinuating that everyone needs replacement teeth at some point. I am saying that it is naïve to think that a car, a furnace, a computer, or your teeth will run forever without maintenance, and that they will run better with routine maintenance.

What happens if you don't do regular maintenance on your car? It will run for a long time, at some point its performance will decrease, and then when it finally decides to quit, it will be catastrophic. You will have to replace your car. How much will it cost to replace your car? Doesn't it make sense to keep up with the routine maintenance?

Sometimes, even with regular maintenance, parts need to be repaired or replaced. We often

have to make a decision on "how" to fix something. Do we patch it up to get some more miles out of it or do we replace the part to extend the serviceability? It may depend on the cost. It may also depend on the risk of the patch failing. You may decide that the risk is too high and go ahead and replace the part, even though it may cost more.

If you were a caveman, we wouldn't be discussing this. You wouldn't have a car and most of your own "parts" would make it to your expected 33 years.... but you're not a caveman. You are likely to wear parts out. You may need a hip replacement, or a filling, or a crown.

And remember: Just like regular oil changes and maintenance will help your car run well much longer, regular professional dental maintenance will help keep your pearly whites functioning at peak performance.

Dr. St. Clair maintains a private dental practice in Rowley dedicated to health-centered family dentistry. He has a special at jpstclair@stclairdmd.com
